Before You Buy

When buying travel insurance there are many different policies available and each policy offers a different level of cover. Travel Insurance Direct (TID) wants to make sure you are informed and choose the right cover for your circumstances.

1.0

Six things you must know about our travel insurance policies:

1. How your medical history affects your cover

Medical cover under travel insurance policies is for unexpected **sudden illnesses or serious injuries**.

Our travel insurance only includes cover for certain medical conditions, so please consider **your** medical history carefully because **overseas** medical care is expensive.

Medical conditions **you** already have before **you** buy the policy are only covered if **you** meet the criteria for Automatically covered conditions in this Product Disclosure Statement (PDS).

This means **you** will not be covered for any claims where **your** medical history (or those of other people) is a contributing factor and is not covered by the policy.

Refer to Section 5.0, **Pre-existing Medical Conditions** (pages 28-33), for guidelines on cover for **pre-existing medical conditions**.

2. Where you are going and how often

The cover that is right for **you** will depend on where **you** are travelling, who is travelling and how often. The plans **we** offer are:

- › The Works: **our** most comprehensive plan, for travellers under age 81 taking a single trip **overseas**.
- › The Basics: **our** lower-priced plan with reduced benefits, for travellers under age 76 taking a single trip **overseas**.
- › Domestic: for a single trip taken within Australia by travellers under age 81.

- › Annual Multi Trip: a 12-month policy for people under age 76 who travel frequently. This plan covers both international and domestic trips up to a maximum of 38 days each leisure trip and up to a maximum of 90 days each business trip.

All plans are only available for **residents** of Australia.

3. What's covered and what's not?

Our four plans each have different Policy Benefits (page 06), but like all travel insurance policies they don't cover everything. **You** should read this PDS carefully to ensure **you** select the cover that is right for **you**. Also, certain words have special meanings which can be found in the Travel Insurance Glossary (page 44).

- › Each policy section tells **you** what is covered and what **we** will pay.
- › Additional options are available for luggage cover and **rental vehicle insurance** excess.
- › Cover can be purchased for snow skiing and other snow sports and activities.
- › Exclusions to Sections (pages 16-22) describe the specific circumstances which are not covered by those sections of the policy.
- › The General Exclusions: applicable to all sections (page 23) apply to the entire policy.

Both Exclusions to Sections and General Exclusions are noted on the Policy Benefits comparison table (pages 07-08) and highlighted in shaded boxes throughout the PDS for easy reference.

Please read through this information carefully because it defines the way the policy responds when **you** need to claim.

4. Who can buy?

All plans are only available to **residents** of Australia (as defined in the Travel Insurance Glossary, page 44) who meet the age limits of the plan selected. **Residents** include Australian citizens and holders of current and valid Australian 457 visas, other skilled working visas and spousal visas but does not include, for example, those on Australian working holiday visas.

5. When am I covered?

You should purchase **your** travel insurance as soon as possible after **you** have begun to book **your trip** because cover for cancellation costs begins from when **you** purchase the policy and **we** email **you** a Certificate of Insurance.

Cover for all other benefits begins on **your** date of departure shown on **your** Certificate of Insurance.

All cover ends on **your** date of return as stated under Period of Insurance on the Certificate of Insurance or when **you** return to **your home**, whichever happens first.

The policy is only valid once the premium is paid and **we** issue a Certificate of Insurance. Only people named on the Certificate of Insurance are covered by the policy.

Please make sure **you** keep **your** Certificate of Insurance and this PDS safe together with any other documents **we** send **you**, as these contain all the information about **your** policy.

Your Certificate of Insurance is also stored in TID's Tripwise mobile app.

A few words about the Annual Multi Trip plan.

- › This policy must be purchased within 30 days before the start of **your** period of insurance.
- › Under a **family** policy, **your** adult travel partner listed on **your** Certificate of Insurance may travel independently of **you**.
- › **Dependents** listed on **your** Certificate of Insurance are only covered whilst accompanying **you** and/or **your** insured travel partner.

Your Policy Benefits

Our policy benefits comparison table helps you quickly identify the policy benefits, levels of cover and applicable excess. We also tell you about available options and where to find information about specific exclusions.

A large, bold, green graphic of the number '2.0' is positioned in the lower right quadrant of the page. The '2' is a thick, rounded shape, the '.' is a small square, and the '0' is a thick, rounded shape with a slight opening on the right side.

Policy Benefits

The table below is a summary of benefits and **trip** limits only. Please refer to each policy section for specific conditions of cover and a detailed explanation of what is not covered under each section.

Policy excess: A policy **excess** is an amount **you** must pay for each claim **you** make and applies to certain benefits as noted in the following table. This **excess** is deducted from any payment **we** make to **you** after **you** claim. When **you** buy **your** policy online, **we** will let **you** know the **excess** and the applicable

premium **you** have to pay; the higher the **excess**, the lower the premium. **Your** chosen **excess** will then be shown on **your** Certificate of Insurance.

Policy exclusions: Please refer to Exclusions to Sections 1-17 (pages 16-22) under “What’s Covered and What’s Not” for a detailed explanation of what is not covered in each policy section. **You** should be aware that General Exclusions (pages 23-27) are also applicable to all sections of the policy.

What's Covered and What's Not

TID gets to see all the unexpected things that happen to people overseas every single day, so our policy is designed to cover such events, making it helpful, easy and great value.

3.0

Section 1: Medical expenses incurred overseas

You only have this cover if **you** choose The Works, The Basics or the Annual Multi Trip plan.

1. **We** will pay the **reasonable** cost of emergency medical, hospital, road ambulance or other treatment **you** actually and necessarily receive **overseas** during the **trip** because **you** suffer a **sudden illness or serious injury**. **You** must make an effort to keep **your** medical expenses to a minimum.

However, **we** will only pay for treatment received and/or hospital accommodation during the 12-month period after the **sudden illness** first showed itself or the **serious injury** happened.

The treatment must be given or prescribed by a registered medical practitioner or paramedic.

If **we** determine that **you** should return **home** to Australia for treatment and **you** do not agree to do so, then **we** will pay **you** the amount which **we** determine would cover **your** medical expenses and/or related costs had **you** agreed to **our** recommendation. **You** will then be responsible for any on-going or additional costs relating to or **arising** out of the event **you** have claimed for.

2. **We** will also pay the cost of **overseas** emergency dental treatment up to a maximum amount of \$500 per person per **trip** following an infection or broken tooth and which the treating dentist certifies in writing is solely required for the immediate relief of sudden and acute onset of pain to healthy, natural teeth. A natural tooth is one that is whole or properly restored (with fillings only).

3. **We** will pay up to \$12,000 in total for **your** burial or cremation **overseas** or for transporting **your** remains to Australia.
› Please note **we** will not pay for any costs incurred in Australia.

The maximum amount **we** will pay for all claims combined under this section is shown under Policy Benefits (page 06) for the plan **you** have selected.

For what **we** will not pay in this section, please refer to Exclusions to Sections 1-13 (page 16) and General Exclusions: applicable to all sections (page 23).

Section 2: Cancellation costs

1. **We** will pay the value of the unused arrangements, less any refunds due to **you**, if **you** have to cancel any pre-paid transport or accommodation arrangements due to any unforeseen or unforeseeable circumstances outside of **your** control.
2. **We** will pay the **reasonable** cost of rearranging **your trip** prior to **you** travelling because something unforeseen and outside of **your** control occurs, provided that this cost is not greater than the cancellation fees or lost deposits which would have been incurred had the **trip** been cancelled.
3. **We** will pay the cancellation cost of tuition or course fees up to \$2,000 if the sole purpose of **your trip** is to attend that course and that course is cancelled due to circumstances outside of **your** control.
4. **We** will pay the travel agent's cancellation fees up to 10% of the amount paid to the travel agent or \$1,500 for a **single** policy or \$3,000 for a **family** policy, whichever is the lesser, when full monies have been paid or the maximum amount of the deposit has been paid at the time of cancellation. **We** will not pay any travel agent's cancellation

fees above the level of commission and/or service fees normally earned by the agent had the **trip** not been cancelled.

5. **We** will pay **you** for loss of frequent flyer or similar air travel points **you** used to purchase an airline ticket following cancellation of **your** airline ticket and **you** cannot recover the lost points from any other source. The cancellation must be due to unforeseen or unforeseeable circumstances outside of **your** control.

We calculate the amount **we** pay **you** by multiplying:

- a) the cost of an equivalent class airline ticket based on the quoted retail price at the time the ticket was issued, less **your** financial contribution;
- b) by the total value of points lost divided by the total value of points used to obtain the ticket.

The maximum amount **we** will pay for all claims combined under this section is shown under Policy Benefits (page 06) for the plan **you** have selected.

For what **we** will not pay in this section, please refer to Exclusions to Sections 1-13 (page 16) and General Exclusions: applicable to all sections (page 23).

Section 3: Additional expenses/ medical evacuation

This section only covers **you** for **reasonable** additional travel and accommodation expenses that result directly from one of the following events:

1. **You** being unable to continue the **trip** because of the death, **sudden illness or serious injury** of:

- a) **You** or a member of **your travelling party**; or
- b) A **close relative** or business partner or person in the same employ as **you**, who is resident in Australia or New Zealand, provided that the **sudden illness or serious injury** required hospitalisation or confinement. In the case of a business partner or person in the same employ, the person's absence made the ending of the **trip** necessary and **you** have written confirmation of that fact from a senior partner or director.

2. The need, because of a **sudden illness or serious injury** resulting in **you** being hospitalised as an in-patient, for a **close relative** or friend to travel to, remain with or escort **you** in place of the attending registered medical practitioner. **You** must have written advice of this need from the attending registered medical practitioner and **our** consent.
3. Cancellation or restriction of scheduled public transport services caused by severe weather, natural disaster, hijacking, riot, strike or civil commotion. The event must have begun after **we** issued the Certificate of Insurance. **You** must have done everything reasonable to avoid the expenses, and **you** must get the **carrier's** written confirmation of **your** claim.
4. Motor vehicle, railway, air or marine **accident**. **You** must have written confirmation of the **accident** from an official body in the country where the **accident** happened.
5. Loss (excluding Government confiscation) of passports, travel documents or credit cards, but limited to expenses incurred within the country where the loss occurred in having the documents replaced.
6. A member of **your travelling party** who is a full-time student being required to sit supplementary examinations.

7. Disruption of **your trip** due to **your home** in Australia being destroyed by a natural disaster or fire.

We will pay **you** if **you** have to interrupt **your trip** after it has begun for **your** necessary additional travel, accommodation, repatriation and meals that **you** undertake with **our** consent. Travel expenses for **your** return **home** or evacuation are only covered if the attending registered medical practitioner advises **us** in writing that as a result of **sudden illness or serious injury you** are unfit to continue the **trip**.

The following rules apply:

1. **We** will not pay for the cost of resuming the **trip** after **you** have returned to Australia (excluding Sections 7 and 8 when applicable).
2. Additional travel must be at the fare class originally chosen, except where **we** agree otherwise based on a written recommendation by **your** attending registered medical practitioner.
3. If **you** do not have a return ticket at the time of the event that causes **you** to return to Australia, **we** will deduct the cost of an economy class airfare at the **carrier's** regular published rates for the return trip. **We** will use **your** return ticket if this reduces **our** costs.
4. **We** will not pay for additional transport and accommodation expenses when a claim is made under Section 2 Cancellation costs or Section 6 Travel delay for cancelled transport and accommodation expenses covering the same period of time.
5. Benefits are payable for a period up to 12 months from the date **your trip** was interrupted.

The maximum amount **we** will pay for all claims combined under this section is shown under Policy Benefits (page 06) for the plan **you** have selected.

For what **we** will not pay in this section, please refer to Exclusions to Sections 1-13 (page 16) and General Exclusions: applicable to all sections (page 23).

Section 4: Loss of income

You only have this cover if **you** choose The Works or the Annual Multi Trip plan.

We will pay **you your** average gross income less normal legal deductions for up to six months, calculated from the return date on the Certificate of Insurance, if, as a result of suffering an **injury** during the **trip**, **you** become totally unable within 30 days after that **injury** to attend to **your** usual full-time occupation or business when **you** return to Australia. However, **we** will not pay in respect of the first 30 days after **you** originally planned to resume **your** work. This benefit is not applicable to **dependents**. The maximum **we** will pay is \$1,500 per month **single** policy and \$3,000 per month **family** policy.

The maximum amount **we** will pay for all claims combined under this section is shown under Policy Benefits (page 06) for the plan **you** have selected.

For what **we** will not pay in this section, please refer to Exclusions to Sections 1-13 (page 16) and General Exclusions: applicable to all sections (page 23).

Section 5: Out of pocket expenses

You only have this cover if **you** choose The Works, The Basics or the Annual Multi Trip plan.

We will pay **you** \$50 for each day **you** are necessarily confined to hospital **overseas** provided that the period of confinement exceeds 48 consecutive hours because of a

sudden illness or serious injury that happens or first shows itself during the **trip**.

The maximum amount **we** will pay for all claims combined under this section is shown under Policy Benefits (page 06) for the plan **you** have selected.

For what **we** will not pay in this section, please refer to Exclusions to Sections 1-13 (page 16) and General Exclusions: applicable to all sections (page 23).

Section 6: Travel delay

You only have this cover if **you** choose The Works or the Annual Multi Trip plan.

If **your** pre-paid scheduled transport is cancelled, rescheduled or delayed for a reason outside of **your** control, whether or not caused by a **carrier**, **we** will pay **you** up to \$2,000 for a **single** policy or \$4,000 for a **family** policy as follows:

1. If **you** are delayed for at least 6 hours, **we** will pay **you** up to \$200 for each 12 hour period of delay. This benefit is for reimbursement of **reasonable** additional expenses for accommodation, meals and for transfers directly between transport terminals and accommodation; and
2. Where **you** cannot reach **your** next destination on time, **we** will pay **you** toward the cost of **your** unusable, non-recoverable, pre-paid accommodation, transfers, tours, events and attractions.

You must give **us your** receipts and written confirmation from the **carrier** of the reasons for the cancellation, rescheduling or delay and any compensation offered or denied. Additional expenses must be **reasonable** and necessary and at the same standard as originally booked.

We will not pay for flights or other transport costs or upgrades for **you** to continue **your** journey.

Where **you** incur an additional expense under item 1 above as well as a loss of a similar pre-paid expense under item 2 above relating to the same period of time, **we** will pay the higher of the two. For example, if **you** have to purchase a night's accommodation in City A because **your** flight is delayed and **you** can't use **your** non-refundable, pre-paid accommodation in City B for the same night, **we** will only pay the higher of these costs.

The maximum amount **we** will pay for all claims combined under this section is shown under Policy Benefits (page 06) for the plan **you** have selected.

For what **we** will not pay in this section, please refer to Exclusions to Sections 1-13 (page 16) and General Exclusions: applicable to all sections (page 23).

Section 7: Return airfare

You only have this cover if **you** choose The Works or the Annual Multi Trip plan.

We will pay **you** towards the cost of **your** original airline ticket (less any refund that is due to **you**) if, because of a **sudden illness or serious injury** that happens during **your trip**, the attending registered medical practitioner or **carrier** requires **you** to be brought back to Australia with a medical escort. However, **we** will only do so if **we** bring **you** back when either:

- a) There are more than 5 days of the **trip**, or 25% of its length, left to go, whichever is the greater; or
- b) **You** have been confined to hospital **overseas** for more than 25% of the insured part of the **trip**.

The maximum amount **we** will pay for all claims combined under this section is shown under Policy Benefits (page 06) for the plan **you** have selected.

For what **we** will not pay in this section, please refer to Exclusions to Sections 1-13 (page 16) and General Exclusions: applicable to all sections (page 23).

Section 8: Resumption of trip

You only have this cover if **you** choose The Works or the Annual Multi Trip plan and **you** are not making a claim under Section 2 Cancellation costs.

If **you** return to **your home** in Australia because, during **your trip**, a **close relative** of **yours** who is residing in Australia or New Zealand dies unexpectedly or is hospitalised following a **sudden illness** or **serious injury**, **we** will reimburse **you** up to \$3,000 for a **single** policy or \$6,000 for a **family** policy towards return airfares to resume **your trip** within 12 months of **your** return to Australia, but only if more than 14 days remain in the period of **your trip** on **your** Certificate of Insurance.

The maximum amount **we** will pay for all claims combined under this section is shown under Policy Benefits (page 06) for the plan **you** have selected.

For what **we** will not pay in this section, please refer to Exclusions to Sections 1-13 (page 16) and General Exclusions: applicable to all sections (page 23).

Section 9: Special events

You only have this cover if **you** choose The Works, The Basics or the Annual Multi Trip plan.

If **your trip** is interrupted by any unforeseeable cause outside of **your** control and **you** are

unable to arrive at **your** destination by the time originally scheduled for the purpose of:

- a) attending a pre-arranged wedding, funeral, conference or sporting event which cannot be delayed as a consequence of **your** late arrival, or
- b) returning to work in Australia,

we will reimburse **you** for the **reasonable** additional cost of using alternative public transport of the same fare class as originally chosen to arrive at the destination on time.

If returning to work, **you** will need to provide a letter from **your** employer confirming **your** dates of leave and when **you** were expected to return to work. For other pre-arranged events noted in (a) above, **you** will need to provide proof of the scheduled commencement date and time.

The maximum amount **we** will pay for all claims combined under this section is shown under Policy Benefits (page 06) for the plan **you** have selected.

For what **we** will not pay in this section, please refer to Exclusions to Sections 1-13 (page 16) and General Exclusions: applicable to all sections (page 23).

Section 10: Rental vehicle insurance excess

You only have this cover if **you** choose The Works, the Annual Multi Trip or Domestic plan.

We will pay **you** for the **rental vehicle** insurance excess if **you** rent a vehicle from a rental company and it is involved in an **accident**, is damaged or is stolen whilst in **your** care. **We** will only pay if **you** have a written rental agreement from a licensed rental company.

The maximum amount **we** will pay for all claims combined under this section is shown

under Policy Benefits (page 06) for the plan **you** have selected.

For what **we** will not pay in this section, please refer to Exclusions to Sections 1-13 (page 16) and General Exclusions: applicable to all sections (page 23).

Additional rental vehicle insurance excess option

Where an additional premium has been paid and this option is noted on **your** Certificate of Insurance, the limit on the Certificate of Insurance will apply.

Section 11: Withdrawal of services

You only have this cover if **you** choose The Works or the Annual Multi Trip plan.

We will pay **you** \$50 per day when any of the following services are unforeseeably withdrawn for 48 hours continuously during **your trip** at the pre-paid accommodation where **you** are staying:

1. All water and electrical facilities in **your** room;

If **you** have a **pre-existing medical condition** that is not covered, **we** will not pay any claims **arising** from, related to or associated with that condition. This means that **you** will have to pay for all costs related to that condition, such as: all medical expenses, which can be prohibitive in some countries; evacuation expenses; trip cancellation expenses; or any other related expenses.

What is a pre-existing medical condition?

A **pre-existing medical conditions** means:

- e) Any condition for which **you** see a medical specialist; OR
- f) Pregnancy.

NOTE: This definition applies to **you, your travelling party, a close relative** or any other person.

Two common pre-existing medical conditions.

Other contact information is available on the TID website travelinsurancedirect.com.au/emergency

TID's Tripwise app also gives **you** important safety and destination information to assist **you** while **you** are on the road. It includes information on what documents **you** will need to get when **you** are in certain situations and how to avoid common traveller mishaps.

If you need to go to hospital, are in an accident, require medical evacuation or repatriation

In an emergency situation, time is critical, so **you** or a member of **your travelling party** must contact **our** emergency assistance service (contact details above) as soon as it is practical following an **accident** or **you** becoming ill or **you** being hospitalised. They will need to assess **your** condition, so they will contact the hospital **you** are in to obtain

necessary medical reports, and they may need to contact **your** GP at **home**.

Where **you** have not notified **our** emergency assistance service, **we** will not pay for any expenses, evacuation or airfares that have not been approved or arranged by **us**.

Subject to medical advice, **you** must follow the instructions of **our** emergency assistance team as to where **you** can be treated to ensure **you** receive quality medical care. **We** also have the option of returning **you** to Australia or evacuating **you** to another country if the cost of **your overseas** medical expenses could exceed the cost of returning **you** to Australia.

If you have a medical condition but are not hospitalised

Where the costs are likely to be under \$2,000 and **you** do not require repatriation to Australia due to **your** medical or dental condition, **you** do not need to contact **our** emergency assistance service straight away. **You** can pay the costs yourself, but keep all receipts and obtain any medical reports to submit with **your** claim online while **you** are away or when **you** return.

Stolen, lost or damaged passport

Our emergency assistance service can help **you** find a local consulate if **your** passport is lost or stolen as well as let **you** know what **you** need to provide **us** when **you** make a claim.

Claiming with TID

Here at TID we really hope you have a great holiday, but if the unexpected has occurred and you need to make a claim, this is what you will need to know.

What we ask for

We ask that **you** notify **us** of any claims within 30 days of **your** return from **your trip**. When **you** submit **your** claim, **we** will only ask for relevant information that **we** require to assess **your** claim. It is important that **you** tell **us** what happened and provide **us** with all the documents **we** ask for.

It is important that **you** obtain as much documentation as possible at the time of the event, as it can be difficult to obtain some documents once **you** return to Australia. If **you** have anything lost or stolen, **you** need to report it within 24 hours of discovery to the police as well as any other appropriate authority in the circumstances (such as an accommodation provider, airline or tour operator) while **you** are there. **You** must also obtain a copy of the written report from whomever **you** report **your** loss to and submit this with **your** claim. If a **carrier** has lost or damaged **your luggage** or **you** notice something has been taken from **your** bag, **you** should report the event to the **carrier** and obtain a Property Irregularity Report from them as soon as possible.

We may ask **you** to translate documents into English if they are provided to **us** in another language. Where possible, **you** should obtain these translations before submitting **your** claim.

We do not require professional translations but any expenses incurred in obtaining the translation will not be paid by **us**.

Other information **we** may require includes, but is not limited to, original receipts; proof of ownership of **your luggage and personal effects**; valuations; clinical notes or a written medical report or summary from **your** treating doctor or dentist **overseas** which clearly explains the medical condition, the diagnosis provided, medical tests requested and treatment given; or a medical certificate from **your** local GP or dentist. Any relevant

information **we** ask for would need to be provided at **your** expense.

Please retain the originals of all documents that **you** submit electronically, as **we** may require that **you** send these to **us**.

TID's Tripwise app gives **you** important safety and destination information to assist **you** while **you** are on the road. It includes information on what documents **you** will need to get when **you** are in certain situations and how to avoid common mishaps.

Submitting your claim

You need to notify **us** of any claims by submitting a claim online through **our** online claims system. Where **your** claim cannot be managed efficiently through **our** online claims system, **we** will ask **you** to complete a claim form.

If **you** do not provide the information **we** require, **we** may not be able to process **your** claim, or **we** may reduce the amount of **your** claim.

Our online claims system is available at: travelinsurancedirect.com.au/claims

Claims processing

Your claim will be processed within ten business days of **us** receiving a completed claim form or online claim and all necessary documentation. If **we** need additional information, a written request will be sent to **you** within ten business days.

Claims are payable in Australian dollars

We will pay all claims in Australian dollars. **We** will pay **you** unless **you** tell **us** to pay someone else. The rate of currency exchange that will apply is the rate at the time **you** incurred the expense.

You must not admit fault or liability

In relation to any claim under this policy, **you** must not admit that **you** are at fault and **you** must not offer or promise to pay any money, or become involved in litigation, without **our** approval.

You must help us recover any money we have paid

If **we** have a claim against someone in relation to the money **we** have to pay under this policy, **you** must do everything **you** can to help **us** recover that money in legal proceedings. If **you** are aware of any third party that **you** or **we** may recover money from, **you** must inform **us** of such third party.

If you can claim from anyone else, we will only make up the difference

If **you** can make a claim against someone other than under an insurance policy in relation to a loss or expense covered under this policy and they do not pay **you** the full amount of **your** claim, **we** will make up the difference. **You** must claim from them first.

Depreciation

Depreciation will be applied to claims for **luggage and personal effects** which are not listed as valuable items. It is calculated at such reasonable rates as determined by **us** by taking into consideration factors such as **reasonable** wear and tear based on the age of the item, the expected life span of an item, the value on the second hand market and advances in technology which reflect in the price of the item if **you** were to purchase it now.

Other insurance

If any loss, damage or liability covered under this policy is covered by another insurance policy, **you** must give **us** details. If **you** make a claim under one insurance policy and **you** are paid the full amount of **your** claim, **you** cannot make a claim under the other policy. If **you** make a claim under another insurance policy and **you** are not paid the full amount of **your** claim, **we** will make up the difference. **We** may seek contribution from **your** other Insurer. **You** must give **us** any information **we** reasonably ask for to help **us** make a claim from **your** other Insurer.

Subrogation

We may, at **our** discretion, undertake in **your** name and on **your** behalf control and settlement of proceedings for **our** own benefit to recover compensation or secure indemnity from any party in respect of anything covered by this policy. **You** are to assist and permit to be done all acts and things as required by **us** for the purpose of recovering compensation or securing indemnity from other parties to which **we** may become entitled or subrogated, upon **us** paying **your** claim under this policy regardless of whether **we** have yet paid **your**

claim and whether or not the amount **we** pay **you** is less than full compensation for **your** loss. These rights exist regardless of whether **your** claim is paid under a non-indemnity or an indemnity clause of this policy.

Recovery

We will apply any money **we** recover from someone else under a right of subrogation in the following order:

1. To **us, our** administration and legal costs **arising** from the recovery.
2. To **us**, an amount equal to the amount that **we** paid to **you** under the policy.
3. To **you, your** uninsured loss (less **your excess**).
4. To **you, your excess**.

Once **we** pay **your** total loss, **we** will keep all money left over. If **we** have paid **your** total loss and **you** receive a payment from someone else for that loss or damage, **you** must pay **us** the amount of that payment up to the amount of the claim **we** paid **you**.

If **we** pay **you** for lost or damaged property and **you** later recover the property or it is replaced by a third party, **you** must pay **us** the amount of the claim **we** paid **you**.

Business travellers – how GST affects your claim

If **you** are entitled to claim an input tax credit in respect of a cost for which a claim is made or would be entitled to an input tax credit if **you** were to incur the relevant cost (i.e. in replacing a lost or stolen item), the amount **we** would otherwise pay will be reduced by the amount of that input tax credit.

Travel within Australia only

If **you** are entitled to claim an input tax credit in respect of **your** premium, **you** must inform **us** of the amount of that input tax credit (as a percentage) at the time **you** first make a claim. If **you** fail to do so, **you** may have a liability for GST if **we** pay **you** an amount under this policy.

Important Matters

When you buy a policy with TID, it's important you understand your duty of disclosure, your rights and our responsibilities to you.

Applying for cover

When **you** apply for a policy, **we** will confirm with **you** things such as the period of insurance, **your** premium, what cover options and **excesses** will apply, and, where applicable, any changes to the policy wording or cover which will be documented in writing to **you**. These details are recorded in the Certificate of Insurance and any other documentation **we** issue to **you**.

If **you** have any queries, want further information about the policy or want to confirm a transaction, please contact **us** on:

About your premium

You will be told the premium payable for the policy when **you** apply. It is based on a number of factors such as **your** destination(s), length of **trip**, number of people covered, age, **pre-existing medical conditions** and additional options. The higher the risk, the higher the premium.

Your premium also includes amounts that take into account **our** obligation to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty and GST) in relation

to **your** policy. These amounts will be set out separately in **your** Certificate of Insurance as part of the total premium.

Changes to your policy

Please check all **your** policy documents and make sure all the information is correct as **we** rely on the information in dealing with **your** policy. If there are any errors, please contact **us** on:

OR

info@tid.com.au

Where **your** circumstances have changed and **you** need to change the cover **we** provide, please contact **us** so **we** can assist. In some circumstances **we** can change the cover or issue a new policy. Either way **we** will always email **you** a new Certificate of Insurance.

Cooling-off period

You have up to 14 days from the time **you** are issued **your** Certificate of Insurance to decide if the cover is right for **you**. This is called **your** cooling-off period.

If **you** decide that **you** don't want this policy, **you** may cancel it within the cooling-off period. **You** will receive a full refund of the premium **you** paid, provided:

- you** haven't started **your** trip;
- you** haven't made a claim; and
- you** don't want to make a claim or exercise any other right under the policy.

You can also cancel **your** policy at any other time, but **we** will not refund any part of **your** premium.

You can cancel **your** policy during the cooling-off period by contacting TID or visiting tid.com.au.

Policy extensions

Extensions of **your** insurance policy are available unless:

- a) **You** are over the age limit for the plan selected; or
- b) **We** covered **you** for a **pre-existing medical condition**; or
- c) There has been any change in **your** health status, including the discovery of new medical conditions, since the start of **your** original policy; or
- d) There has been any other change to **your** personal circumstances which would impact on **our** decision to continue insuring **you** or apply any special conditions; or
- e) **You** have made a claim or are aware of a possible claim resulting from **your** original policy, but **you** have not advised **us** of it.

Extensions are calculated at the current rates for the relevant plan at the time of the extension.

Where **we** have updated this PDS, **you** will be offered an extension under the terms of the PDS in use at the date **your** extension is processed. Extensions will not be available when the **trip** duration exceeds 12 months in total from the Period of Insurance start date stated on **your** original Certificate of Insurance.

If the scheduled transport in which **you** are to travel is delayed, or the delay is caused by an event that entitles **you** to make a claim under this policy, the insurance is automatically

extended beyond the period of the **trip** stated in the Certificate of Insurance. The extension lasts until **you** are capable of travelling to **your** final destination, including the journey there, or for a period of six (6) months, whichever happens first.

Your duty of disclosure

Before **you** enter into, vary or extend an insurance contract, **you** have a duty of disclosure under the Insurance Contracts Act 1984.

When **we** ask **you** questions that are relevant to **our** decision to insure **you** and on what terms, **you** must tell **us** anything that **you** know and that a reasonable person in the circumstances would include in answering the questions.

When amending or extending **your** contract of insurance, **we** will ask **you** specific questions about any change in **your** circumstances. **You** must tell **us** about any change to something **you** have previously told **us**, otherwise **you** will be taken to have told **us** that there is no change.

You have this duty until **we** agree to insure, amend or extend the contract.

If **you** do not tell **us** anything **you** are required to tell **us**, **we** may cancel **your** contract or reduce the amount **we** will pay **you** if **you** make a claim, or both.

If **your** failure to tell **us** is fraudulent, **we** may refuse to pay a claim and treat the contract as if it never existed.

How we handle complaints

Information about how **we** handle complaints about this insurance or the services provided to **you** by the underwriters, Cerberus or TID are located on page 49 of this Combined FSG and PDS.

Updating the PDS

We may need to update this PDS from time to time if certain changes occur where required and permitted by law. **We** will issue **you** with a new PDS to update the relevant information except in limited cases. Where the information is not something that would be materially adverse from the point of view of a reasonable person considering whether to buy this product, the updated information will be available at tid.com.au. **You** can get a paper copy free of charge by contacting **us**.

About us

This insurance is underwritten by certain underwriters at Lloyd's (Insurer).

Cerberus Special Risks Pty Limited, ABN 81 115 932 173, AFSL 308461 (Cerberus) is an Australian Financial Services Licensee authorised to provide financial product advice and deal in general insurance products.

Cerberus is the underwriting agent acting for the insurer and holds a binding authority from the insurers, which allows Cerberus to issue, vary, renew or cancel your insurance and handle and settle claims. This means that Cerberus acts as the insurer's agent and not as your agent.

Cerberus has appointed Travel Insurance Direct Pty Limited, ABN 30 121 659 470, AR 305589, as its authorised representative to assist in the management of its insurance activities, provide general advice and arrange to issue travel insurance online. TID acts on behalf of Cerberus and the insurer, and not on **your** behalf.

For providing these services, Cerberus receives a percentage of the gross Premium (which includes the premium and taxes) from the insurer when **you** buy a policy. Cerberus pays a percentage of its commission to TID for its role in promoting travel insurance and arranging to issue **your** policy. If the insurer makes an underwriting profit in a given year, Cerberus can receive a profit commission based on the performance and profitability of all insurances placed by Cerberus.

If **you** are referred to TID, the affiliate who refers **you** is paid a referral fee from the commission that TID receives from Cerberus. The referral fee is calculated as a percentage of the gross premium when you buy a policy and is at no extra cost to you.

Employees of TID receive an annual salary, and they also receive a bonus provided they meet certain performance criteria, including sales.

You may ask each of **us** for more information about our remuneration within a reasonable time after we give **you** this FSG and before **your** policy is issued.

Cerberus has professional indemnity insurance arrangements that cover errors and mistakes relating to the insurance services provided by Travel Insurance Direct and Cerberus. The policy meets the requirements of the Corporations Act and provides cover for claims relating to the conduct of TID and Cerberus and their employees, even after that person ceases to be employed, provided that the claim is notified to the professional indemnity insurer when it arises and within the relevant policy period.
